

What We Have To Offer

Our facility has a **double ice-rink surface** (twin pad) with Arena One having a capacity for approximately 2,000 seats and the adjacent Arena Two, a 500-seat rink. Also, there is a 300-seat performance **theatre**.

Our large community hall, can be divided into three separate rooms. Included is a **kitchen** and **beverage bar** area.

The North Grenville Municipal Centre offers modern, cost effective facilities for hosting events - large and small - such as **weddings, banquets, and meetings** or special events such as **concerts, major tournaments, live theatre**, cultural events and **trade shows**.

“ Our International Women’s Day Event was a great success this year and one of the critical factors was the venue. The North Grenville Municipal Centre had everything we needed. The state of the art theatre enabled us to hold an awesome workshop, our guests were comfortably entertained and educated. The community room was dressed so elegantly, our guests were wowed and amazed! I highly recommend this venue for others, I know we’ll be back! ”

~Wendy Onstein, Manager, Leeds Grenville Small Business Enterprise Centre

“ On behalf of our club, I wish to thank you for your help regarding our Probus Spring Fling event at the North Grenville Municipal Centre. I have received so many congratulatory emails from other Probus clubs - the term “best Spring Fling ever!” was conveyed to us. They were amazed at your facility. Not only were we able to hold a first class event, but we were also pleased to showcase our town and the Municipal Centre. ”
